This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex ZA of the standard

hEN 1337-5:2005

under AVCP System 1 for the performance set out in this certificate are applied and that the factory production control conducted by the manufacturer is assessed to ensure the

constancy of performance of the construction product.

This certificate was first issued on 8 July 2016 and will remain valid as long as neither the harmonised standard, the construction product, the AVCP methods nor the manufacturing conditions in the plant are modified significantly, unless suspended or withdrawn by the notified product certification body.

The main characteristics of the product and the specific manufacturing sites are reported in the Annex to this certificate.
